Combineer een aantal rozensoorten in verschillende lengtes, soms met vilt en zet ze in een robuuste vaas. Want het baket nog niet lekker genoeg? Wil het dan ook met gele rozen.

Business info ★ BUSSINESS INFO

The history of Kaemingk bv stretches back over sixty years. In 1937, the founder of the company, started a wholesale business selling a variety of household products.

Kaemingk's showroom in Aalten is without question, one of the biggest and most impressive in Europe. In its wonderful 20,000 square feet you can see over 8000 products and some spectacular displays.

In addition, the whole collection is shown twice a year in Frankfurt at Christmasworld and Tendence. Kaemingk also has a major presence at the Spring Fair Birmingham.

500,000 square feet of warehouse where over 1,500 40' containers are handled every year cover the distribution to customers in over 30 countries in Europe and around the world.

PRODUCT INFO ★ Product info

Christmas trees, wreaths and garlands; We offer a whole host of choices - from luxurious to beautiful but simple. The trees, wreaths and garlands are available in many different sizes, colours, styles and price categories, with or without lights.

Candles; Our range of candles is a basic collection of squat candles, gothic candles, ball candles and floating candles, which we supplement with a balanced selection of figure candles and scented candles.

Lights; We have a collection of over 400 different kinds of Christmas lights for indoor and outdoor, for hanging in tree or in the window or for other attractive decoration ideas. Every set of Christmas lights meets the highest European standards and each set is checked and certified by the supplier before shipping.

Soft toys and dolls; Also the dolls and soft toys are made from high quality materials and meet all the European standards. A big part of this collection works on batteries and/or use a mains adapter.
